

Nebraska Citizen Corps Program Mini-Grant Funding Opportunity

July-December 2011

The Nebraska Emergency Management Agency and the Nebraska Citizen Corps Program announce the January-June 2011 grant period for Citizen Corps Councils in Nebraska. Awards for grants for short-term projects up to \$5,000 will be given to support the actions of the Citizen Corps Program (CCP), its mission, and its partner programs.

The mini-grant process is intended to add flexibility to the Citizen Corps Program. Councils may rely solely on mini-grants for funding, but are also encouraged to submit work plans with larger budgets for a Long-Term Award.

Who may apply?

Active Citizen Corps Councils with a supporting local official and fiscal agent are eligible to apply.

What is funded?

Only items on the Authorized Equipment List (AEL) are eligible for funding. Further direction is provided in the FY2010 Homeland Security Grant Program (HSGP) Guidance.

Go here for the AEL specific to the CCP, as well as access to the FY2010 HSGP Guidance (located on the right-hand side):

What are the key dates?

- May 1, 2011 July-December 2011 Mini-Grant Application Opens
- July 15, 2011 July-December 2011 Mini-Grant Application Closes
- Funding must be spent 6 months after it is awarded, unless applying for a Long-Term Award, then all funding and projects must be finished by approved timeline.
- Activities funded with the award must be reported 2 months after it is all spent
